THE ROBERT J. KLEBERG PUBLIC LIBRARY

STATEMENT

At the Robert J. Kleberg Public Library the safety and wellbeing of our patrons is always a top priority. During the current COVID-19 pandemic, that priority has not wavered. As such, we are closely monitoring the COVID-19 outbreak and taking preventative measures to ensure the safety of our patrons as well as our staff. Furthermore, we have advised our staff to follow the guidelines that public health authorities have put in place in regards to personal and workplace hygiene. We wanted to share with you the steps that the Public Library is taking to reinforce a safe and hygienic environment.

STEPS

- Clean N’ Fresh® Instant Antibacterial Hand Sanitizer is provided to patrons and staff at various locations throughout the Library.
- Books will be cleaned with Lysol® Dual Action Wipes as well as Diversey™ End Bac® II Spray Disinfectant as they are returned to the Library, before they are shelved for circulation, and before they are checked out to patrons.
- The Bookstore collection will be periodically cleaned and disinfected with Diversey™ End Bac® II Spray Disinfectant.
- Staff has been instructed to periodically wash their hands for 20 seconds at a time throughout the day in accordance with the recommendation from the Centers for Disease Control and Prevention (CDC).
- All tables and chairs in the Public Library will be cleaned and disinfected with Diversey™ Shine Up™ Furniture Cleaner throughout the day.
- All Restrooms in the Public Library will be cleaned and disinfected with Comet® Disinfecting Cleaner with Bleach, and Spartan® NABC® Non-Acid Disinfectant Bathroom Cleaner throughout the day.
