

IF YOU'RE HAPPY AND YOU KNOW IT

If you're happy and you know it,
clap your hands.

If you're happy and you know it,
clap your hands.

If you're happy and you know it,
Then your face will surely show it.

If you're happy and you know it,
clap your hands.

2. Stomp your feet

OPEN, SHUT THEM

Open, shut them, open, shut them
Let your hands go CLAP CLAP CLAP
Open, shut them, open, shut them
Drop them in your LAP, LAP, LAP.

THE MORE WE GET TOGETHER

The more we get together,
together, together,
The more we get together,
The happier we'll be.

For your friends are my friends,
And my friends are your friends.
The more we get together,
The happier we'll be.

The more we read together.....

The best things to do with babies/toddlers
to prepare them to be future readers are:
TALK, SING, READ, WRITE & PLAY!

Why reading is important: increases
vocabulary/knowledge. To learn how books
work, and develop good feelings for books.

Make reading interactive. EX.

DANCE YOUR FINGERS

Dance your fingers up
Dance your fingers down.
Dance your fingers side to side
And dance them all around.
Dance them on your shoulders
Dance them on your head.
Dance them on your tummy
And put them all to bed.

SING A SONG OF SIXPENCE

Sing a song of sixpence,
a pocket full of rye,
4 & 20 blackbirds baked in a pie.
When the pie was opened,
The birds began to sing.
Wasn't that a dainty dish to set before
the king?

IF YOU'RE HAPPY AND YOU KNOW IT

If you're happy and you know it, clap your
hands.

If you're happy and you know it, clap your
hands.

If you're happy and you know it,
Then your face will surely show it.

If you're happy and you know it, clap your
hands.

3. Shout Hooray!
