SUMMER READING PROGRAM

Themes: Build A Better World

Ages: Birth to 18 years old

Begins: Thursday, June 1st, 2017

Ends: Saturday, July 29th, 2017 at 1p.m.!!!

TODDLER STORY TIME

For ages birth - 5 years

Every Thursday

Time: 9:00 a.m.—9:30 a.m.

Location: Children's Area of the library

BOTS AND BOOKS LEGO PROGRAMMING

For ages 7 - 14 years

Every Thursday

Time: 10:00 a.m. – 11:30 a.m.

Begins: Thursday, June 8th, 2017

Ends: Thursday, July 27th, 2017

Location: Fellowship Hall Facility Located @ First Presbyterian Church at 302 W. Kleberg Avenue

Other ages are welcome as space allows. **Weekly registration is required for this time slot due to limited programming kits.** Children will learn to build and program with LEGO®s. **Open LEGO play will be available for those not using robotics kits.** Each weekly session is 1 1/2 hours of fun that you won't want to miss.

BUILDING WITH STEM!

For ages 6 - 12 years

Every Thursday

Time: 2:30 – 4:00

Begins: Thursday, June 8th, 2017

Ends: Thursday, July 27th, 2017

Location: Fellowship Hall Facility Located @ First Presbyterian Church at 302 W. Kleberg Avenue

Participants will be exploring ways to “Build a Better World” through Science, Technology, Engineering and Math. Each week will include: an individual building challenge using recycled or unusual materials and a team challenge. Experiments will take place, recycling will happen, explosions may occur. No registration is required for this group.

A big thank you to the First Presbyterian Church for the donation of their fellowship hall facility for our summer program.
