Money Smart week is a national, Independent non-profit initiative promoting the importance of personal financial education. The Tribal Library will be hosting it the week of April 18<sup>th</sup>-25<sup>th</sup>. It is designed to encourage everyone to take simple steps to make a positive difference in their financial health.

**Tuesday April 21<sup>st</sup>** we invite you and your children ages 4-7 to attend a book reading here in the Library from 4-4:30 by a member from Isabella Community Credit Union. Isabelle Osawamick will also be here to speak to the children in our native language. Please call us to sign up your child, space is limited so reserve your spot! We have a free gift for each family that attends, while supplies last.

**Thursday April 23<sup>rd</sup>** we will have a Money Smart Open House for those who would like a little financial advice. Stop in at your convenience throughout the day. Free Money Smart Packets available while supplies last.

There will also be other activities and events planned throughout the week, so stop in to the Tribal Library and check it out!
